FILING FEE AND IN FORMA PAUPERIS

1. In order for your complaint to be filed, it must be accompanied by the filing fee of \$350.00.
2. If you do not have the necessary funds to pay the filing fee in full at this time, you may request permission to proceed *in forma pauperis*. In this event you must complete the application to proceed *in forma pauperis* (IFP), setting forth the information to establish your inability to prepay the fees and costs or give security therefore. You must also include a six (6) month history of your Inmate Trust Account. You can acquire the application to proceed IFP and appropriate Inmate Account Certificate from the law library at your prison unit.
3. 28 U.S.C. 1915, as amended by the Prison Litigation Reform Act of 1995 (PLRA), provides, "...if a prisoner brings a civil action or files and appeal *in forma pauperis*, the prisoner shall be required to pay the full amount of a filing fee." Thus, the Court is required to assess and, when funds exist, collect, the entire filing fee or an initial partial filing fee and monthly installments until the entire amount of the filing fee has been paid by the prisoner. If you submit the application to proceed *in forma pauperis*, the Court will apply 28 U.S.C. 1915 and, if appropriate, assess and collect the entire filing fee or an initial partial filing fee, then monthly installments from your Inmate Account, until the entire \$350 filing fee has been paid.
4. If you intend to seek *in forma pauperis* status, then do not send your complaint without an Application to Proceed IFP, and the Certificate of Inmate Trust Account. Complete all the essential paperwork before submitting it to the Court.

CHANGE OF ADDRESS

It is your responsibility to inform the Court of any change of address and its effective date. Failure to file a NOTICE TO THE COURT OF CHANGE OF ADDRESS may result in the dismissal of your complaint pursuant to Rule 41(b), Federal Rules of Civil Procedures.

You need not give any legal argument or cite any cases of statutes. If you intent to allege a number of related claims, number and set forth each claim in a separate paragraph. Attach extra pages if necessary, but remember that the complaint must be stated briefly and concisely. IF YOU VIOLATE THIS RULE, THE COURT MAY STRIKE YOUR COMPLAINT.

July 2013 I had a seizure that could have been prevented with emergency medical care. I can identify the symptoms of a big seizure. I pushed our emergency call button and got no response. The button works for all the people who come to inspect after they call to tower and say who they are. But, for inmates all over the farm where we are located in the middle of nothing the buttons don't work for us and people die. My daughter is a nurse and said this could kill me so she wrote to doudsman. Still nothing.

VI. RELIEF: State briefly exactly what you want the court to do for you. Make no legal arguments. Cite not cases or statutes.

You must try to resolve your problem with a staff member before you submit a formal complaint. The only exception is when appealing the results of a disciplinary hearing.

Who did you talk to (name, title)? JOE GRIMES When? Dec 2012
 What was their response? They were on order with maintenance
 What action was taken? None

State your grievance in the space provided. Please state who, what, when, where and the disciplinary case number if appropriate

I wrote Warden Grimes an I-60 around Dec 2012 and inquired about the call buttons in our cells. We do need to be heard in emergency situations and none of our emergency call buttons are being answered. And Warden Grimes' answer was because they didn't work and that he personally had a work order in with maintenance to fix them. Well the date is 5.1.13 and the call buttons still do not work. Sometimes we do have emergencies at night I, for one, have Epilepsy, EOPD, and severe asthma. I fell out of the bed once and injured my leg and foot which Dr. Talley saw. I couldn't get emergency care because we have no call buttons. Why do we even have these buttons in our cells? His answer to that one was the officers do a walk around security check every 30 min which isn't true and can be proved if only someone would ask. The inmates who suffer all these injustices at this unit here we are out in the middle of nowhere. It's not fun like TDCJ wants it to be fun. People coming here from other units say the units they come from are not like this one. Sure there's some things they don't like. That will happen everywhere, but this seems to be a deliberate indifference and poor mistreatment of the

shouldn't be treated by the people who head the department
 These people are defying you and depriving you of a work
 friendly place to work. So not only do the inmates be-
 come frustrated but security also. It to need 2 steps
 to file a civil suit. So, now what's the answer going to be
 are we going to have our call buttons answered or not
 Smith v. Smith 589 F3d 736 is a real interesting
 objective indifference case

Grievance Response:

Your complaint has been noted. There is an open work order to correct this problem, work order number 407313006019. Correctional staff are required to conduct security rounds every 30 minutes. This along with count, passing out mail and other related duties results in a staff member being present in the wing nearly on a constant basis. No policy violations found.

This is not Joe Grimes signature.

I've seen his signature, and this isn't it

You must attach the completed Step 1 Grievance that has been signed by the Warden for your Step 2 appeal to be accepted. You may not appeal to Step 2 with a Step 1 that has been returned unprocessed.

Give reason for appeal (Be Specific). I am dissatisfied with the response at Step 1 because...

I sent an E-let to our warden months ago, and it was just sent back today 7-22-13 but, the situation I complained about hasn't changed. My Daughter even wrote the warden about it, And hired Berger Law firm in Calif. The warden wrote and said there was a work order to correct this situation. Well I'm really not happy with the answer so this has not been handled at unit level. Cpt. McQuary called both me and my cellie down to administration to inquire about our call button that makes maintenance has been here 3 times since then and the warden twice, I have emergency (Severe) problems medically and push the call button and we both do not get an answer. However, when maintenance comes or the warden and push the button they have to call to the picket to see if it is working, and it is. My Daughter already complained on my behalf and Cpt. McQuary promised me it wouldn't happen again. For pure white wash he said he was sending an E-mail to all officers to correct this problem (people die here) the security neither does a walk around every 30 min. Like they are supposed to. Smith v. Smith 589 F.3d 736 is a real interesting objective difference case similar to mine. This can be considered an 8th Amend. violation since I'm being refused medical. I'm now collecting all these step 1's and 2's to prove your scheme you have already decided before my step 2 gets there that it was handled at unit level. I've got several affidavits to prove it wasn't. You have an ongoing scheme against me because

You want me to stop grieving legitimate matters and being "retaliated" against. All of this is piling up on you and I found away to get around your qualified immunity. All I'm asking before I get my family to go further is that they do things right by the book and no thing more. They need to stop cussing at us and set an example.
